

# Discipleship

Larry Anderson

# **Discipling Men**

**The two parts of discipleship.**

**It begins with your personal discipleship discipline, growth, and plan.**

**Are you growing in your relationship with Jesus?  
For discipleship to be authentic it must come from  
our own journey with Christ.**

***“ I must secure more time for private devotions. I have been living far too public for me. The shortening of devotions starves the soul, it grows lean and faint. I have been keeping too late hours.”***

***William Wilberforce***

# One Size Doesn't Fit All

- How well do you know the men you are ministering too?
- Can you develop multiple approaches?
- Are the men aware of their need for growth?
- The “when, where, and how” of groups.
- Do the men know the “rules?”
- How do you build accountability?

- **How do you grow new groups (multiplication)?**
- **How do men develop personal disciplines?**

**We need to think of discipleship in relational terms rather than transactional or simply in teaching models.**

**Mark 1:16-20; Mark 2:13-14**

**Men want to know what the goal is...**

**They need significant relationships with other men...**

**Men were raised to be on a team. We can invite them to be part of the most important team in history.**

# Failure is not Fatal

**Don't give up?**

**Discipleship through service...**

**How do we train men to disciple their families?**

**Discipleship through “baby steps...”**
