

Partakers and Sharers of the Divine Nature

In the small book of 2 Peter, the apostle delivers one of the biggest statements of the faith in the first chapter – we are partakers of the divine nature through Christ. We will explore how partaking of the divine nature shapes us as disciple-makers and leaders, as well as how it shapes those we disciple and lead. Both the depth of this profound mystery as well as the broad scale of its impact are the fuel and destination of maturity in Christ.
