

Naturalism Bumping Into Reality

Engaging hardcore naturalists seems daunting, until you realize our hidden advantage: Reality is on our side. Then, everything changes. In this talk you'll learn three things no naturalist can easily deny that puts the Christian worldview in an entirely new light, along with tactical tips to help make your conversations look more like diplomacy than D-Day.

Greg Koukl is the founder and President of Stand to Reason, an organisation that trains Christians to think more clearly about their faith and to make an even-handed, incisive, yet gracious defense for classical Christianity and classical Christian values in the public square. He received his Masters in Philosophy of Religion and Ethics at Talbot School of Theology, graduating with high honors, and his Masters in Christian Apologetics from Simon Greenleaf University. He is an adjunct professor in Christian apologetics at Biola University. He is the author of *Tactics—A Game Plan for Discussing Your Christian Convictions*, *Relativism: Feet Firmly Planted in Mid-Air* with Francis J. Beckwith, and *Precious Unborn Human Persons*. He has hosted his own radio talk show for over 20 years advocating clear-thinking Christianity and defending the Christian worldview.
