

## **A Biblical Vision for Disciple-Making**

This session will overview some of the biblical material on disciple-making, focusing particularly on Jesus' call to follow in Luke 9:22-3. In this session, the inseparability of discipleship and mission will be emphasised and we will pay close attention to Jesus' training of the disciples' heart attitudes. Participants will be encouraged to begin to develop personal applications that they can "take home" to their own ministries.

**Mark Stirling** is the leader of the European Disciple-Making Leaders Network. He is a former medical doctor who has worked in student ministry with the Navigators in Edinburgh. In 2007 he completed an MA in Exegetical Theology at Covenant Seminary in St Louis. He, his wife Jenny and their four children now live in St Andrews, Scotland, where they seek to help students grow to maturity in Christ. As well as leading a new church in St Andrews, Mark is also finishing his PhD studies in Theology and Biblical Studies (Learning Christ in Ephesians) at the University of St Andrews and is involved in helping to lead the work of the Navigators amongst students in the UK.
