

Know Yourself

Assessment is an incredibly important part of any endeavour. Jesus' parables show us this, as does Paul's interactions with John Mark. Paul was also someone who knew himself, and who encourages others to know themselves. According to Calvin, self-knowledge is only second to knowledge of God in importance, and is only possible in the light of our knowledge of our Creator and Redeemer. Before you embark on the dangerous, thrilling task of church planting - know yourself.

Philip Moore has been pastoring and planting churches in the east of Paris for the past 12 years. He is currently European director for Acts 29, working to build relationships between local church-planting churches and church planters all over Europe. With over 50 countries and a population of over 700 million people the European continent, once the most Christianised in the world, is now a mission field. It is Philip's privilege, as European director of A29, to see what God is doing in our continent, and to encourage church-planting initiatives from Ireland to Turkey, from Denmark to Italy through assessment, coaching, training, and supporting of church planters and church-planting churches. Philip is married to Rachel, and they have 5 children.
